

## NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

**Project Description:** The proposed project involves the construction and installation of recreational facilities improvements on an open space site, and roadway improvements to segments of West Third Street and Del Monte Avenue. The City plans to provide passive recreation facilities on three parcels that comprise the proposed park site. Two of the parcels adjoin West Little Llagas Creek between West Second Street and West Third Street. A third parcel south of West Third Street and immediately adjoining the east side of West Little Llagas Creek would also be developed for recreational purposes.

**Project Location:** The 1.7-acre project site is located approximately 200 feet west of the intersection of West Third Street and Monterey Road, within downtown Morgan Hill.

**Initial Study/Environmental Assessment:** An Initial Study has been prepared for the proposed project and the analysis has determined that there will be no significant environmental impacts with implementation of proposed mitigation measures. Therefore, the proposed project would not have a significant impact on the environment and a Mitigated Negative Declaration will be recommended to the City Council. The public review period for the Initial Study and proposed Mitigated Negative Declaration is from **November 3, 2016 to December 5, 2016 at 5:00 p.m.**

**Public Hearings:** The date for the required City Council Public Hearing has been set for **December 7, 2016.**
